Mergers and Acquisitions are significant undertakings, and affect all areas of an organization. Our November meeting focuses on mergers and acquisitions from a Human Resources perspective.

Our presenters will discuss trends in regard to mergers and acquisitions, and will discuss mergers and acquisitions from both a consulting and a practitioner perspective. The growth and acquisition strategy of AmerisourceBergen will be utilized as an example. Human Resources planning and implementation will be discussed. The topic will also be reviewed from a strategic perspective, focusing HR's role in planning for strategic growth.
